#### 6. Exhibition Fees

Standard booth fee: International booth \$5,000 / booth (3m x 3m)

Bare space rental charges: International booth \$500 /m<sup>2</sup> (from 36m<sup>2</sup> up)

The standard booth includes: within the booth, domestic carpet, panels at 3 sides, 1 light box with colored company LOGO (the enterprise is required to provide a vector document of its company LOGO), 2 spotlights (or fluorescent lamps of 100W), 1 reception table, 1 bar chair, 1 business table (round glass table), 3 business chairs, 1 socket of 220V/5A, 1 trash bin, 1 box of mineral water, 1 box of paper towels and 1 box of wet paper towels, other small articles required for exhibition will be distributed with the materials of exhibition information to the exhibitor when checking in.

The special booth on leased bare space doesn't include any exhibition furniture and facilities, the special booth management fee, power connection fee and cleaning deposit charged by the exhibition center shall be at their own expenses of the exhibitor and the special design contractor.

The organizer will provide free lunch for part of the exhibitors during exhibition, and luncheon vouchers will be distributed in accordance with the following provisions:

For the booth below 36m<sup>2</sup>: 4 each day, total 12 luncheon vouchers;

For the booth 36-72m<sup>2</sup>: 6 each day, total 18 luncheon vouchers;

For the booth 72-100m<sup>2</sup>: 8 each day, total 24 luncheon vouchers;

For the booth above 100m<sup>2</sup>: 10 each day, total 30 luncheon vouchers;

Note: the luncheon vouchers are for the use dated only during exhibition date (Oct. 29, 30 and 31), the dining place is in the designated launch area in the exhibition hall, the overdue vouchers become invalid, no recoverable and convertible; the lunch shall be settled by the exhibitors themselves during the exhibition preparation days; and the insufficient part of the vouchers shall be solved by the exhibitors themselves during the exhibition days.

## **7. Exhibition Confirmation**

1) The exhibitor must send the "exhibition contract", signed and sealed within 5 working days after the exhibition booth is selected, to the organizer by mail (or fax), and at the same time, the exhibitor must remit total booth fees into the bank account of the organizer within 15 working days after the contract is signed (i.e. the formalities for exhibition shall be completed within one month after the booth is selected). The contract shall be invalid without payment and the booth will be not retained and should be rearranged. The exhibition organizing committee shall not accept booth deposit, and all exhibition fees shall be paid off in one time.

2) The organizer shall make corresponding record of the booth reservation date, date of contract, full payment date, as the basis to cancel the reservation, determine the contract

invalid and adjust afterward the booth location. The enterprise that failed to have the exhibition contract into force shall have no right to adjust the booth location.

3) The organizer shall arrange his staff at all exhibition invitation points above to provide corresponding information for the enterprises having reserved the booths all time, and on this basis, the organizer will not accept the behavior of any enterprises not to sign the contract, pay in full after the booths are reserved.

#### **8. Contact information:**

Person to contact: FENG Ying    Tel: 0086 10 63913526, 13901021291

Email: expo@chinagas.org.cn

#### **9. Exhibitors' Manual**

The "Exhibitors' Manual" prepared by the organizer is an important guidance document for exhibition, and the exhibitors need to read it carefully and make good preparation for participating in the exhibition according to the manual requirements and are obliged to require the special design and installation companies, with which the agreements are signed, to strictly comply with and implement it; the "Exhibitors' Manual" as a continuation of the exhibition contract, is the explanation and supplement to the rights and responsibilities of both parties, and has the same effect with the contract.

#### **10. About GASEX 2018 Meeting**

During this exhibition, GASEX2006 was held during the same period., please visit [www.gasex2018.org](http://www.gasex2018.org) to learn more for information on GASEX 2018 meeting. The GASEX 2018 meeting and GASCHINA 2018 exhibition will be held jointly, which could not only improve the quality of this exhibition, but also through the GASEX International Forum, attract the attention of many international gas industry colleagues, build a exchange platform for domestic and foreign gas industry, and further provide a good opportunity for domestic gas companies to exhibit their own strength, promote national brand, and get in line with the advanced international technology.
